

**Subject: Religious Exemption for Vaccination**

To Whom It May Concern,

I trust this message finds you well. I am writing to request an exemption from my child, \_\_\_\_\_ **(Print First and Last Name Only)**, receiving the Influenza vaccination based on our sincerely held religious beliefs as a Muslim.

In Islam, we are taught to prioritize the preservation of life and health, and we are fully committed to maintaining a healthy lifestyle for our child and those around us. However, our understanding of certain components within the Influenza vaccine raises concerns in relation to our religious beliefs.

Specifically, our objection is rooted in the use of ingredients that conflict with Islamic dietary restrictions in the vaccine manufacturing process. As practicing Muslims, adhering to a halal lifestyle is of utmost importance, and We sincerely believe that the consumption or injection of substances not compliant with Islamic dietary laws goes against the tenets of our faith.

Additionally, we are open to alternative measures or accommodations that may be put in place to ensure the safety and well-being of our child and those around us without compromising our religious principles.

We appreciate your understanding and consideration of our request.

Thank you for your attention to this matter

Sincerely,
